## Barnham Pupils Shine

Welcome to 2022 and a Happy New Year to you all. I really hope that you were able to take a break over the festive period and enjoy time together with your family, friends and loved ones. I am sure that for some of you there will have been disruption and challenges, but I hope that as we return the school is able to provide some consistency and structure to the year as we move forward. As always, please reach out if you have any questions or require support. The office email address is always there and you can also email me at [head@barnhamprimaryschool.co.uk](mailto:head@barnhamprimaryschool.co.uk) as well. Take care, buckle up and here we go.

## January 2022

**Our Mission:** For all our children to be the best that they can be.

### Successful Learners

The staff team and I are really looking forward to the term ahead. Through the topics we have planned for the children our aim is to excite and motivate them as they continue to push themselves to develop and grow over the next three months. In the Autumn term we were able to lay fantastic and firm foundations that should enable us to build on as we move through the Spring. We are excited to see what the children can achieve and produce and cannot wait to be able to share it with you once as the year moves through.

### Responsible Citizens

As we move into the new year it is important to remember our local residents and neighbours as we return to school and therefore return to increasing the volume of traffic and parking in the local area. Please can I urge those of you that drive to school to be considerate when parking. This means that driveways of our neighbours should remain clear and we should not be parking on corners of roads or verges. Not only could this behaviour be unsafe and lead to collisions and accidents, it also hurts our positive relationship with the wider community, which is unfair for those families who don't do this. We are all part of this community and it's important we show that.

### Confident Individuals

Towards the end of last term we sent out a questionnaire that asked for feedback on your views relating to your views on the behaviour of the children at BPS as well as other questions relating to, amongst other things, before and after school clubs. I wanted to update you that the window for responses has now closed and that we received a total of 46 completed questionnaires. Thank you for taking part and over the next few weeks I'll be writing to you to let you know what the feedback said and what actions we are going to take for moving forward. It is really important that we seek and receive feedback so that we can look at what we're doing and improve it where we can. Towards the end of this term, we will send out another questionnaire which this time will be about the quality of the learning for the children here at BPS.

### Pre-loved Uniform—Can you help?

Due to the successful pre-loved uniform sale we had a few weeks ago, our stocks are running low, and so we welcome any donations of pre-loved saleable uniform that you may have. Particularly, uniform for the older children. We are in desperate need of school jumpers, cardigans and PE tops. If you do have something then please drop off at the school office at any time. Thank you.
