Barnham Pupils Shine

And so we begin the final couple of weeks of the academic year, and what a wonderful year it has been. The children's achievements have been incredible and the staff team have worked extremely hard to guide and challenge the children to help them reach their potential. Your support has been exceptional and because of this, the children have been able to work together with us to achieve so, so much. We should all be very proud of what we are achieving here at BPS and so thank you for all that you do, we really, really appreciate it.

July 2024

Our Mission: For all our children to be the best that they can be.

Successful Learners

The children have worked very hard this year and the successes of their efforts can be seen in the end of year assessments we have recently completed. This information not only helps us better understand strengths and areas for improvement for the children, but also provides wonderful opportunities to share and celebrate individual and cohort collective goals. This is one of the most rewarding activities at this time of year and one that helps spread smiles, satisfaction and self belief.

Confident Individuals

Although it's a few weeks ago now, I wanted to thank you for helping make our annual sports day such a positive and rewarding experience for the children. It's great to see the children getting involved and enjoying themselves during the day, it really is joyous and wonderful to see the pride and positivity that spreads throughout the event and in build up to it. Thank you again for helping make the day such a success; your warmth and positive energy is greatly valued.

Responsible Citizens

As you know, our reward/ dojo points system at school is a fantastic motivator and really has great impact upon the children's aspirations and drive. As we close out this year, we will be celebrating the achievements of the children right up until the final day, as well as gathering the score for overall dojo points achieved to see if we can beat last years total.

Travelling to and from school

Thank you for continuing to help in ensuring we are a positive neighbour to our local neighbours when travelling to and from school. This area was never designed to accommodate the traffic that moves through it and so whatever we can do to help ensure a smooth and positive experience for the local community is vital and needs to be continued with. With this in mind can I remind you that Elm grove is a private road and should not be used for parking, particularly on the corner of the entrance for the road.

Staffing Update

Please find below the teaching teams for next year. Teaching assistants have also been placed and the children will be meeting them today or in some cases re-meeting them today as we build in our transfer activities for the new classes next year. There will also be opportunities to bump in to one another as the final couple of weeks move through.

Staff	Class
Mrs Bryden	Year R
Mr Parkin (Yr Leader)	Year R and 1
Mrs Stanway and Mrs Mitchell	Year 1
Mrs Butters and Mrs Osborne	Year 2
Mrs Brigden (Yr Leader)	Year 2 and 3
