Responsible Citizens

Barnham Pupils Shine

I can't quite believe it, but we are in the final half term of this year and soon to find ourselves at the summer break. It has been quite a year and Team BPS has really pulled together in order to keep our community safe as well as working in partnership to help our children learn and grow in a time of significant change. All of you, our families have been awesome and I cannot thank you enough for everything that you have done. We are a great team and here's to a fantastic few weeks ahead.

June 2021

Our Mission: For all our children to be the best that they can be.

Successful Learners

Thank you for your attendance during our recent parent and carer review meetings. It was really positive to share the learning journeys the children have been on and what we are planning to do in order to support and develop their learning further as we move into these final few weeks. The children are recovering well since returning and whilst there are gaps for everyone that need to be filled, we have plans for each child and hopefully with everything coming together in the right way, we will be able to get all our children to as close to where they should have been if they had experienced a year with no disruption. At the end of the year we will assess the children again which will then be used to support planning for 2021-2022, so that in September we can hit the floor running once more.

Responsible Citizens

As we move through this final half term, we will be looking to bring the children together in activities and opportunities that support community cohesion across the school as well as transition into September. These events will be in line with protective measures and government guidance and so may change, but we are aiming to introduce children being able to mix across classes during playtimes, have outside assemblies as a year group, key stage or whole school, and come together in their classes for next year. There may well be other opportunities that we can explore also and we will continue to keep you updated as these occur.

Stay and Play

Stay on after school till 4pm so the children can play and families can chat. Many Hands will be raising funds for the school by selling refreshments. Siblings from different year groups can attend as well.

29th June Years R, 1 and 2 Years 3 and 4 30th June Years 5 and 6 1st July

Sports Day and Celebrating Work

We'll be holding our traditional Sports Day again this year, and providing opportunity at the end it for the children to share with their families all their work that they have completed here at school since September. Events will begin at 9.10 with everything being concluded by 11.15. More information will follow nearer the time.

13th July Years R, 1 and 2 Years 3 and 4 14th July Years 5 and 6 15th July

We're really looking forward to these events taking place and look forward to seeing you all there.

Confident Individuals

In preparation for next year we have conducted a review as to the lessons learnt during this past year in order to help us embed successful new strategies for next year. Over the next few weeks I'll be sharing with you the outcomes of the review and what we will be taking forward from September.

Covid Protective Measures

Even though we are steadily moving towards restrictions and protective measures relating to Covid being relaxed yet further, we still need to work together to ensure that we maintain as best we can a secure school site. We've been successful to this point as the year has unfolded and it would be great to maintain this as we move towards the end of the year.
