Barnham Pupils Shine

It is good to be back! Team BPS have returned, and returned with energy, positivity and a smile. The children have hit the ground running and are looking to make the most of the opportunities that are being provided for them. This is excellent and long may it continue as we move through the rest of this term. Thank you once again for all your support and hard work. The next three months will have their ups and downs I am sure, but working together we can achieve great things. Go Team BPS!

May 2021

Our Mission: For all our children to be the best that they can be.

Successful Learners

The children have been working incredibly hard since their return and we have been working hard with them to celebrate success and identify areas of improvement or gaps in their learning. Teaching and learning experiences for classes as a whole and for many of the children individually have then been adapted and we'd like to share with you the outcomes of this support as well as celebrate achievements and progress through parent and carer review meetings which will take place from 3.45pm to 6pm from the 24th to 27th May. The meetings will take place online as they did in the Autumn Term and next week of the 5th of May we'll send out further information as to how everything will work.

Responsible Citizens

The BPS community and family is one that I am very proud of and through this past year has shown incredible spirit. As national restrictions begin to be lifted we can now start bringing our community back together here at the school to share in activities and events with the children and to remind ourselves of some of the special ingredients that bind us. With this in mind, I wanted to share with you the events and dates of the events being planned so that you can begin to get them in your diary. As with everything at the moment, they are all subject to change:

Stay and Play

Stay on after school till 4pm so the children can play and families can chat. Many Hands will be raising funds for the school by selling refreshments. Siblings from different year groups can attend as well.

29th June Years R, 1 and 2 Years 3 and 4 30th June Years 5 and 6 1st July

Sports Day and Celebrating Work

We'll be holding our traditional Sports Day again this year, and providing opportunity at the end of it for the children to share with their families all their work that they have completed here at school since September. Events will begin at 9.10 with everything being concluded by 11.15. More information will follow nearer the time.

13th July Years R, 1 and 2 Years 3 and 4 14th July Years 5 and 6 15th July

We're really looking forward to these events taking place and look forward to seeing you all there.

Confident Individuals

At the end of the school year we'll be providing for you a school report on your child. The reports will contain information on what learning the children have secured and what learning requires further focus. The report will also share a little about your child's attitude towards their learning as well as any key qualities or skills that we'd like to recognise. The reports will be sent to you via email and will be sent out on Friday 16th July.

Covid Protective Measures

Even though we are steadily moving towards restrictions and protective measures relating to Covid being relaxed, we still need to work together to ensure that we maintain as best we can a secure school site. We've been successful to this point as the year has unfolded and it would be great to maintain this. As we move towards the end of the year I'll be providing for you key lessons learnt by the school during the pandemic and will be setting out what measures will remain in place in preparation for next year in line with government guidance and best practice.
