Barnham Pupils Shine

I hope that you all had a fantastic break over the half-term and were able to enjoy some time together. Autumn is really upon us now and it is wonderful to see the change in the season as the nights draw in and there is a touch more of a chill in the air. We were so pleased with how the children worked in the last half term and are looking forward to seeing their progress again over these next few weeks. As with all journeys, there will be twists and turns, I'm sure but if we all continue to pull together I know we can ride these out as we move towards the end of the term.

November 2021

Our Mission: For all our children to be the best that they can be.

Successful Learners

During this half term we will be conducting our first comprehensive round of school assessments for the year. The children will be assessed in English and Maths which will then provide us with a precise understanding of their strengths and areas for development. The teaching team will then use the outcomes of these assessments to inform and adapt our planning so that we can ensure that we are doing our best to meet the needs of all the children in helping them achieve their potential. I am always so impressed with the positive manner with which the children approach the assessments that they take and show us what they can do. It's great to see and we are really proud of them.

Responsible Citizens

Thank you for your ongoing support with regards parking in and around the school site. I understand that we have had a few issues with some inconsiderate parking and behaviour, which we have informed our local police liaison officer about and will continue to do so if things don't improve. Please can we continue to do our best to be kind neighbours to our local community as negative actions do impact upon the goodwill that the school receives.

A message from our PTA - Many Hands @ BPS

Many hands is a small team of parents/ carers who plan, organise and run fun events for the children and their families, which also raises valuable funds for the school. The events we run are things like cake sales, discos, summer fairs, raffles and festive celebrations, to name just a few. In the past we have raised money for school equipment, books, school trips and outdoor learning areas. Sadly, a lot of our team left last year as their children moved into High School, so we are now looking for more helpers! We hope to hold Christmas Discos for the children this year and have lots planned for 2022, including a Platinum Jubilee fair, but these things will only be possible if we have enough people to lend a hand. If you would like to help and can spare a bit of time each term we would love to hear from you at manyhandsbarnham@gmail.com

Covid Protective Measures

Thank you for your support in ensuring we continue to move forward safely this year. If any changes are needed to be made to our protective measures, we will share them and of course if you have any questions then please do not hesitate to contact the school using the office@barnhamprimaryschool.co.uk or head@barnhamprimaryschool.co.uk email addresses.

Inset Days for the rest of this year 2021-2022
