## Barnham Pupils Shine

We've reached November and a chill is in the air, reminding us all that winter is coming. A huge thank you for your continued support that you provide for us as a school. It is greatly appreciated and really reinforces what a close school community we have here at BPS. We have a fantastic few weeks ahead of us planned and myself and the team are very much looking forward to seeing what the children can achieve. As always, please do come and speak with any of the staff if you have any questions or queries. You can also email myself at [head@barnhamprimaryschool.co.uk](mailto:head@barnhamprimaryschool.co.uk) or the office/ admin team at [office@barnhamprimaryschool.co.uk](mailto:office@barnhamprimaryschool.co.uk).

## November 2023

**Our Mission:** For all our children to be the best that they can be.

### Successful Learners

I hope that already you have been able to have some great conversations about what the children have been learning since they have returned to school. The topics that they are exploring continue to develop in depth and detail as they move through the next weeks and we are very excited of the work to come as well as very proud of the quality of work and learning that has already been communicated and shared by the children. The children work incredibly hard and show great perseverance and we are looking forward to seeing this continue. On **Tuesday 21st November from 8.40 to 9.10**, we will be holding another of our **Open House** events. This is a chance for you to visit and see the work that the children have been producing since September. We look forward to welcoming you for the Open House and hope you enjoy seeing what the children have been up to.

### Confident Individuals

As part of our ongoing cycle of receiving feedback about the school, we will be asking you to complete a simple survey during this half term. The survey focuses on Behaviour and Well Being and should take only a couple of minutes to complete. A link to the survey will be sent to you and we really appreciate you taking some time to provide feedback for us. Once we have gathered and analysed the results, we will then report back to you with any next steps that we will be taking as well as updating you on what we received.

### Attendance and Punctuality

Attendance and punctuality remain a vital part of the learning jigsaw for our children and I wanted to thank you for continuing to support the school in ensuring the children attend school and are ready to attend school every day. We know that this requires a gentle push at times and thank you for this. Our school attendance is currently above nationally recorded data for this term to date and it would be great to keep it that way as the year moves through. We have received updated guidance from the NHS regarding illness and attendance which you can find by following this link [www.nhs.uk/live-well/is-my-child-too-ill-for-school](http://www.nhs.uk/live-well/is-my-child-too-ill-for-school)

### Responsible Citizens

Thank you for your continued support in helping to reduce issues and problems on the local roads around school. Remember, if you do witness illegal or unsafe behaviours then please do contact Operation Crackdown <http://www.operationcrackdown.org/> to register the issue. During our Assemblies we will also be reminding the children to be safe and be seen when walking to and from school and the importance of crossing with Caroline, our School Crossing Officer.

### Safeguarding

I just wanted to update you that any safeguarding concerns you have can be raised through the school staff team, as well as through West Sussex County Council by following this link <https://www.westsussexscpc.org.uk/> if about a child or adult that doesn't attend our school.
