Barnham Pupils Shine

I cannot believe that we are nearly into month two of the new academic year. The days are flying past and I am so proud of the start that the children and Team BPS have made. I am sure that there are a few tired minds and bodies out there and so I just wanted to say how much we appreciate your hard work in maintaining and managing all the routines required to help the children be well prepared for the school day. It is quite a feat staying on top of all that needs to be done on a day to day basis, so thank you and keep it up, it really does make a difference.

October 2021

Our Mission: For all our children to be the best that they can be.

Successful Learners

As you might be aware from conversations with the children, at Barnham one of the ways that we celebrate and recognise achievements is by giving out Dojo points. Points can be awarded for hard work, overcoming barriers, kindness, enthusiasm as well as many, many other things. When the children reach certain point milestones they are celebrated in our daily online assembly and are presented with a badge. The badges this year have been selected based upon ideas from the children and so today I wanted to share them with you so that you are in the loop as well. The badges are all space related:

100 Dojos - Earth badge 200 Dojos - Astronaut badge 300 Dojos - Rocket badge
400 Dojos - Moon badge 500 Dojos - Alien badge

Responsible Citizens

Thank you for your ongoing support with regards parking in and around the school site. Any way that we are able to reduce congestion and parking concerns for our local families and neighbours is greatly received by myself and the school and I thank you again for trying all that you can to help. Please keep doing what you can.

Can I also ask that if you arrive on the school site in the morning before 8.30am that you keep your child or children close you as vehicles continue to access the site until this time.

Confident Individuals

Collaboration is an important vehicle for learning and is something that we are trying implement on a regular basis now that protective measures and the easing of restrictions have occurred. Talking and learning together, sharing and listening to friends, are key life skills and we are ensuring that we are planning for these experiences in our subject lessons for the children. Doing so comes with it's challenges as this approach requires the children to be able to manage themselves and each other as they navigate their way through the cut and thrust of conversations, but we are excited to be able to take these steps forward and enjoy seeing the children share, learn and grow.

Covid Protective Measures

Thank you for your support in ensuring we continue to move forward safely this year. If any changes are needed to be made to our protective measures, we will share them as we did last year and of course if you have any questions then please do not hesitate to contact the school using the office@barnhamprimaryschool.co.uk or head@barnhamprimaryschool.co.uk email addresses.

Inset Days for the rest of this year 2021-2022
